It's a Flipped ^{out} World

We asked, you shared. Here's the roundup of individuals worthy of world-class flipper status!

GRAND PRIZE WINNER

NAME: Adam Levner

PROJECT: Critical Exposure

SUBMITTED BY J. Hermann

Critical Exposure teaches low-income kids to use the power of documentary photography and their own voices to advocate for reform. Armed with cameras, students document the challenges they face in and out of school and build public and political support for change. Learn more at criticalexposure.org.
